

Follow The Following for Mobile trading :

1. How to download/install the Fastrade On Mobile Exe?

Go to browser on your mobile

Type the following url

<http://www.bseindia.com/downloads/MobileTrader.jad>

Please click 'Yes' on every incoming alert.

This will install the Fastrade On Mobile application on your handset.

2. How to configure your handset for running the Fastrade on Mobile Exe

Configure the APN setting according to the service provider. The APN settings for some of the service providers are as follows:

Service Provider	Connection Name	APN
AIRCEL	Aircel GPRS	aircelgprs
AIRTEL	Mobile Office	airtelgprs.com
BPL	Bplgprs	www
IDEA	idea_internet	internet
MTNL	MTNL GPRS	gprsppsmum (Pre-paid Customers) gprsmtnlmum (Post-paid Customers) Username : mtnl Password : mtnl123
Reliance GSM	Netconnect	rcomnet (Pre-paid Customers)
TATA GSM	Tata Internet	TATA.DOCOMO.INTERNET (Pre-paid Customers)
VODAFONE	Vodafone Live!	portalnmms

For other service providers, please contact your service provider for the APN settings.
